

Exciting Nursing Opportunity in Nicosia, Cyprus

Position: Nurse and Donor Coordinator

Location: Nicosia, Cyprus

Company: Cryos International Egg and Sperm Bank

Are you a passionate nurse looking for a unique and fulfilling role? Cryos International, a renowned global gamete bank headquartered in Denmark, is on the lookout for a dynamic Nurse and Donor Coordinator to join our vibrant team in Nicosia, Cyprus. This full-time position offers an exciting blend of clinical and administrative responsibilities, perfect for a nurse eager to make a significant impact.

You should be comfortable working in a team and with Cryos donor candidates of different nationalities. You pay attention to detail and comply with company standards of high quality. You can work systematically and independently once trained under the direction of the Team Lead Nurse/Donor Coordinator and have a high level of flexibility to easily adjust to the changing priorities of a growing organization.

Why Join Us?

- **Innovative Environment:** Work with cutting-edge reproductive technology and contribute to life-changing processes.
- **Collaborative Team:** Be part of a dedicated and supportive team of professionals committed to excellence.
- **Professional Growth:** Engage in continuous learning and development opportunities within a leading international organization.

Key Responsibilities:

- **Engage with Donors:** Welcome and guide new and existing donors through their journey, ensuring a positive and informative experience.
- **Application Management:** Review and process donor applications, providing clear guidance and support throughout the application process.
- **Health Assessments:** Conduct thorough health assessments and risk behavior screenings to ensure donor eligibility.
- **Data Management:** Maintain accurate and up-to-date donor records, ensuring all medical examinations and assessments are meticulously documented.
- **Clinical Tasks:** Assist in various clinical procedures, including oocyte collection, physical examinations, and behavioral assessments. Handle blood sampling, packing, and shipment to external laboratories.
- **Quality Control:** Perform regular quality control checks and contribute to the development and maintenance of internal Standard Operating Procedures.
- **Regulatory Compliance:** Stay informed and adhere to local, European, and international donor-related legislation.

Qualifications and Requirements:

- **Educational Background:** A degree in Nursing along with Nurse State Registration.
- **Experience:** While experience in IVF nursing is a plus, it's not a strict requirement. We value your passion and dedication!
- **Language Skills:** Proficiency in both spoken and written Greek and English is essential.
- **Communication Skills:** Excellent communication and interpersonal skills are a must.
- **Professionalism:** A highly service-minded and professional attitude.
- **Team Player:** A positive attitude and the ability to work effectively as part of a multi-disciplinary team in an international company.
- **Eligibility:** Must already be eligible to work in Cyprus (or willing to relocate and acquire work permit)
- **Local Applicants:** Greek or Greek speaking applicants are more than welcome! Please note

that a Cypriot nursing license and address are required.

Excellent employee benefits include:

- A yearly 13th salary
- Working hours from Monday to Friday, primarily between 8-16.30. Occasionally we have early shifts starting around 05.00 AM because of oocyte retrievals.
- Flexibility and the possibility to work from home when work tasks allow it.
- Social activities and team building

Join Cryos International and be a part of a vision-driven organization that values innovation, quality, and excellence. If you are a motivated nurse with a passion for reproductive health and donor coordination, you could be what we are looking for.

Ready to embark on this exciting journey? Apply now and make a difference in the world of reproductive health. We process application regularly, so don't hesitate to send us our application via the link at the bottom.

If you have any questions about the position, you are more than welcome to contact Maria Thygesen (Team Lead Nurse/Donor Coordinator) at mth@cryosinternational.com or Karsten Kroer Sørensen (Manager of Operations) at kks@cryosinternational.com.

About Cryos:
