

Fertility Doctor for Cryos Clinic

Deadline:

Contact person:
Anne-Bine Skytte

Job area:
Clinic

Position type:
Full time

Join our beautiful clinic in Aarhus, Denmark.

We invite you to apply for an exciting opportunity to join our multidisciplinary team, where compassion, collaboration, and expertise are at the heart of everything we do.

As part of your responsibility you will help standardize practices while continuously seeking opportunities for improvement and service development. You will ensure that the highest standards of care are maintained in alignment with our organizational objectives and international standards.

About Cryos Clinic:

- Newly built clinic in Aarhus – Denmark
- State of the art laboratory
- World-class treatments for our clients both domestically and internationally
- Passionate team delivering personalized treatments
- Strong quality management

Essential Qualifications:

- Medical doctor, specialized I Gyn/obs.
- Proven experience in fertility services, at least 5 years.
- Competent in speaking Danish/Scandinavian and English
- Strong interpersonal and communication skills, with a compassionate approach to patient care.

We are always looking for amazing people to join our team and join us on our mission to help singles and couples make their dream of a child come true.

If this sounds interesting to you, please contact Chief Medical Officer, Anne-Bine Skytte at abs@cryosinternational.com. We cannot wait to hear from you.

About Cryos:

At Cryos, caring is at the core of our culture. We cultivate a supportive, informal, and positive environment that values teamwork and respect. Diversity is celebrated, and open communication ensures that every voice is heard. Helping others is in our DNA, and that extends to both our clients and our colleagues. We're committed to creating a workplace where support and empathy are foundational, enabling each individual to contribute their best while feeling valued and respected. Cryos International is the world's largest sperm and egg bank, offering delivery to more than 100 countries. In more than 35 years we have worked after our vision and purpose to help others fulfill their dreams of having a child, and we are proud to have achieved the industry's highest number of registered pregnancies worldwide.
