

Fertility Nurse/Midwife - Cryos IVF Clinic, Nicosia

Are you looking for a meaningful role where you help create life? At Cryos, we support individuals and couples worldwide on their journey to parenthood.

We are seeking a dedicated **Fertility Nurse or Midwife** to join our state-of-the-art IVF clinic in Nicosia. As part of Cryos International – the world's largest sperm and egg bank – you will join a skilled, international team delivering high-quality, patient-centered care.

Key Responsibilities

- Guide and support patients throughout their fertility journey
- Coordinate treatment plans with doctors and the clinical team
- Perform or assist with procedures (e.g. ultrasound, IUI, egg retrieval – training provided)
- Conduct blood sampling and manage lab samples
- Maintain accurate patient records and support clinic operations

Requirements

- Registered Nurse or Midwife (Cyprus Nurses and Midwives Association)
- Fluent in Greek and English
- Proficiency in MS Office
- Flexible and team-oriented mindset
- Fertility or similar experience is an advantage

We offer

- A purposeful role in a global organization
- Supportive and collaborative work environment
- Training and development opportunities
- Competitive package including: Monday–Friday daytime hours 21 days annual leave 13th salary Annual salary review

Interested?

As the position is to be filled as soon as possible, applications are processed on an ongoing basis, so don't hesitate to send us your application and CV via the link at the bottom of the page.

If you have any questions regarding the position, you are welcome to contact Fertility Nurse Maria Andreou at maa@cryosinternational.com
